Opis produktu

Vital Remains formed in 1989 in Providence. Rhode Island. Their influences included Celtic Frost, Venom, Bathory, Sodom, and Mercyful Fate.

After releasing their debut album on Peaceville subsidiary label Deaf in 1992 (Let Us Pray), the band went on to tour with legendary US gore band Autopsy.

Their second album for Peaceville/Deaf was the classic Into Cold Darkness (recorded & released in 1995).

After their deal with Peaceville/Deaf came to a natural end the band found a home on the French label Osmose.
