Opis produktu

The Swedish pioneers of Black/Thrash Heavy Metal return with their sixth album in 2016! Consisting of original members Jensen (Guitar, The Haunted), Rikard Rimfält (Guitar, Seance), Sharlee D'Angelo (Bass, Arch Enemy) plus new vocalist Angus Norder (Nekrokraft) and drummer Chris Barkensjö (LIK), WITCHERY, "In His Infernal Majesty's Service" offers diabolical hymns with murderous riffs, speed, some classic metal melodies, filth, fury. Garnered with a powerful yet honest sound and featuring brief guest appearances by Hank Shermann (Mercyful Fate), Jason Netherton (Misery Index) and Nick Barker (Lock Up), songs like "Lavey-athan" or "Nosferatu" carry an intense Slayer vibe but due to the raspy vokills should go down well with fans of Desaster or Skeletonwitch as well as Merciless or Necrophobic, too. This is metallic witchery blending the best of black, death, thrash, and traditional steel! The limited Special Edition Digipak features two bonus tracks.
