Opis produktu

Opaque white vinyl strictly limited to 125 copies worldwide

ALTARAGE deliver exactly what the underground buzz around them promised. Their second full-length, 'Endinghent' is bristling with black and dissonant death metal fury that immediately evokes a plethora of sinister images in the brain. Their relentless soul-crushing sound is sending the scared mind on overdrive. After a successful first album in 2016, ALTARAGE return to mercilessly drag you into an abyss of nightmares and twisted meanings. 'Endinghent', in their own words, calls the doom inhabitants to reach a whole nothing. Welcome to this new dimension of sonic darkness.

Side A:

Incessant Magma / Spearheaderon / Cataclysmic Triada / Fold Eksis

Side B:

Rift / Orb Terrax / Weighteer / Barrier
