Amen Corner, one of Brazil’s Underground legends, is back!

Old school in body, mind and spirit, this album tells us one thing: Death is imminent!
Brazilian Black Metal legends Amen Corner, emerges from the shadows with their latest opus, “Written by the Devil.”

In a world where time bends and eternity looms, this album serves as a chilling reminder: Death is an ever-present specter, stalking our very existence.

With a legacy spanning over three decades, Amen Corner stands as a stalwart pillar of Brazil’s Black Metal scene.

• Amen Corner is one of the oldest and most respected Black Metal bands in Brazil, having been around for over 30 years
• Amen Corner is one of the more underground “Cogumelo Legends”, having acquired cult status alongside bands like Sarcofago, Mystifier and Impurity
• Amen Corner have remained faithful to their sound, playing slower and occult Black Metal with strong roots in the early Greek/Italian scene, following in the footsteps of bands such as Varathron, Rotting Christ, Necromantia and Mortuary Drape
• Astonishing cover art by prominent Brazilian artist Marcos Miller from Nausea Image
• Recorded, mixed and mastered by Ivan Pellicciotti (Vulcano’s bassist)
