### Opis produktu

#### Second Press

2136 x Black and White Galaxy Effect Merge Standard Gram

**AMORPHIS'** legendary *Privilege of Evil* EP available on vinyl for the first time in 10 years! Originally released in 1993, the EP contains the bands first demo material recorded in 1991. A thick slab of early Finnish death metal, *Privilege of Evil* has gained cult status in the extreme metal underworld for being the most primeval, brutal material the band has ever released.
