Opis produktu

Digipack CD

Truly deserved of a wider audience, **ANARKHON** have produced a killer compendium of cryptic, Lovecraftian old school Death Metal. Each and every enigmatic riff possessed with the majesty of arcane knowledge, every rotted atmosphere and bludgeoning rhythm on point, each otherworldly vocal inflection a coffin dragged into ancient depths.

A haunted record of hallucinated nightmares too exemplary to be ignored.

Comes in a 6-panel digipack. First batch comes in black polycarbonate CD
