Opis produktu

In a year marking the 35th anniversary of **Anathema**’s formation, a 2025 black vinyl edition of **Crestfallen** (1992) with **new audio master** by **Jaime Gomez**.

Crestfallen was the band’s first release for Peaceville and contained reworked tracks from their ‘All Faith is Lost’ demo as well as new material, clearly showing a band with an exceptional grasp for melody and atmosphere in their brooding doom-heavy compositions and poetic landscapes; with effortless transitions between brutality (accentuated by the ‘growled’ vocals of then singer Darren White) and beauty on tracks such as ‘The Sweet Suffering’ and the now classic ‘They Die’.

This set the stage for their debut full-length LP, Serenades, further expanding upon this captivating formula and showing Anathema’s diversity and body of influences stretching way beyond the confines of metal.

Crestfallen was recorded at the legendary Academy Studios in Yorkshire, UK, in 1992 (Paradise Lost, My Dying Bride, etc), with Keith Appleton at the helm.
