Opis produktu

In a year marking the 35th anniversary of **Anathema's** formation, a 2025 CD edition of **Pentecost III** (1995) with **new audio master** by **Jaime Gomez**.

Includes **bonus material** in the form of the **We are the Bible** 7" recordings.

'Pentecost III' was released in early 1995 & was recorded at the infamous Academy Studios in Yorkshire UK (My Dying Bride, Paradise Lost). 'Pentecost III' featured classic heavy & often hypnotic doom metal, as well as a reworking/re-recording of the 'Memento Mori' track from the 'Iliad of Woes' demo.

This was the last release which original vocalist Darren White appeared on, before leaving the band to form The Blood Divine with various members of the original Cradle Of Filth line up.
