Opis produktu

Black 12" vinyl in gatefold with 4-page insert incl. Timo Kontio's liner notes and new art additions.
First pressing 300 copies worldwide!

Initially released in 2001, this cult album is finally available on vinyl for the first time!

Finland’s symphonic black metal sweethearts AND OCEANS turned rogue with their third full-length and adopted a drastically more electronic music influenced style. As a result, A.M.G.O.D (2001) was much debated upon its release: both praised for its inventiveness but also misunderstood many fans.
Now, A.M.G.O.D is an integral part of the band’s discography and a must have to complete one’s AND OCEANS collection, released on vinyl for the first time.

For fans of EMPEROR, ABORYM, SAMAEL.
Artwork by Niklas Sundin.
