AND OCEANS Cypher DIGIPAK [CD]

Cena	39,90 zł
Dostępność	Dostępny
Czas wysyłki	5 dni
Producent	Season of Mist

Opis produktu

CD in Digipak with 12-page folded booklet incl. Timo Kontio's liner notes and new art additions.

With the fourth album Cypher, Finnish black metal outfit ...and Oceans completed their transformation from predominantly symphonic influences to industrial inspirations. Being a group that has never played safe, this record transcended genres, broke all rules and was both lauded and hated for it. Cypher is the last record before the band changed their name to Havoc Unite and is now available on vinyl for the first time.

A must have for the fan to complete their ...and Oceans collection.

For fans of EMPEROR, ABORYM, SAMAEL.
Artwork by Shannon Hourigan.
