Opis produktu

2021 reissue with bonus track.

Following ...AND OCEANS' highly praised debut, 'The Symmetry of I, The Circle of O' pushed the boundaries of black metal even further, emphasizing the use of synths but never losing sight of their black metal roots.
Together with the band's debut, 'The Symmetry of I, The Circle of O' belongs to the classics of the symphonic black metal genre.

CD in jewel case with 12-page booklet, including bonus track 'The Black Vagabond and the Swan of Two Heads' (Psychodrom Mix).
