ANFAUGLIR was forged by US multi-instrumentalists *Lord Bauglir* and *Griss* as an exploration in storytelling through epic symphonic Black Metal. Based upon the works of *J.R.R. Tolkien*, the duo aim to match the source material's scope and grandeur with unique cinematic compositions which transport listeners directly to Middle-earth.

Avoiding traditional song structures, the immaculately-produced new opus "***Akallabêth***" - meaning ‘*The Downfallen*' in Adûnaic, the language of *Tolkein*'s Númenoreans - is written and arranged in the vein of a traditional classical symphony. Themes and melodies develop, recur and transform, entwining delicately rapturous motifs with violent tragedy through the vastness of multi-layered orchestration, choral majesty, evocative chamber-work and sweeping Black Metal.
