Opis produktu

Spain's leading Thrash Metal band ANGELUS APATRIDA returned with their 7th, self-titled album. The 10 songs on "Angelus Apatrida" sound more determined, versatile and ferocious than ever before, on the verge of the group's 20th anniversary of existence. "Angelus Apatrida" ("/'an-je-lus - a-'pa-tri-da/'") was mixed and mastered by Zeuss (Rob Zombie, Overkill, Hatebreed, Municipal Waste, Shadows Fall), once again comes with artwork by Gyula Havancsák (Annihilator, Destruction, Stratovarius). Now available as Standard CD Jewelcase, replacing the sold out Ltd. CD Jewelcase in O-Card.
