Opis produktu

Comes with insert.

HOHE TANNEN – a monument to cold, darkness, and untamed forces of nature.
With its new work, SCHNEE rises like shadows from the endless forests.
HOHE TANNEN is black steel of modernity: raw, archaic, and full of sublime melancholy.
Between icy riffs, drum-like percussion, and terrifying screams, a soundscape unfolds that cries out for hope and devotion.
The album roams through fog-shrouded mountains, ancient fir forests, and the silent grandeur of the wilderness. Each track is a ritual – without shying away from new, menacing sounds.
A manifesto of wood, blood, and shadows.
Enter the forest!
