After 20 years the legendary debut album from Finnish iconoclasts **ARCHGOAT** remains an unstoppable and irresistible demonstration of angel-ripping Black/Death Metal profanity.

These initial ten blasphemies hailed the rising darkness, welcomed the Luciferian unlight and inaugurated **ARCHGOAT**'s relentless ongoing black crusade against the religion of the weak. Filthy and grimy in the best tradition of venom-encrusted sacrilege, "***Whore Of Bethlehem***" expresses ruthless contempt for all things holy - sneering openly at Golgotha amid a torrent of trampled crucifixes and weeping, violated archangels. A dark, ritualistic symphony of impurity, "***Whore Of Bethlehem***" is a single-minded and destructive masterpiece of twisted black Art to snuff out all the light.
