### Opis produktu

Emerging at the end of 2019, Archvile King is the solo project of french multi-instrumentalist Baurus. Drawing from the sharp, biting sounds of retro Thrash and Black Metal, his music fully reflects his inspirations, offering intoxicating melodies over riffs as sharp as rusted steel. After a unashamedly Thrash Metal solo EP, followed by a darker full-length album, Archvile King now pulls us deeper into its world with a new concept album plunging further into the swamps of the King of Worms. With Aux Heures Désespérées, we are drawn into Black Metal infused with shades of Heavy Metal, Thrash, and grandiloquent tones, pulling us down into the depths.
