Opis produktu

Sweden's black metal troll ARCKANUM return with his eighth opus, "Fenris Kindir!" Equal parts ripping riffs and howled vocals from the edge of Ragnarok, "Fenris Kindir" expands on the darkness of "Helvítismyrkr" and finds ARCKANUM taking a battle axe to the world. Having emerged from the black metal underground, the bludgeoning brute force of the "Fenris Kindir" demands the respect and fear that plundering raiders from the North commanded centuries prior. "Arckanum, the one man band run by Shamaatae, create the perfect metal: primitive, raw and deeply rooted in dark forests and norse history." - SVT (Sweden) Recommended if You Like: WATAIN, (old) MARDUK, DARTHTRONE, DRUDKH, CARPATHIAN FOREST
