Opis produktu

France Doom Metal – Avant-Garde Doom Dark – Dark Metal: Argile's new studio album after 16 years of waiting.

12 years of gestation and 3 years in the studio! Engineered, recorded and mixed by Frédéric Gervais at Studio Henosis (In The Woods, Aorlhac, Orakle).

An introspective, initiatory trilogy exploring existential anguish and the nothingness of a life of darkness.

The narrative and musical culmination of the Doom and Dark Metal project of the 4 musicians in the band Misanthrope.History: the third and latest studio album from Doom Dark Metal entity ARGILE.

The grand finale of the Argile trilogy.

For fans of: Celtic Frost “Into the Pandemonium” era, old My Dying Bride, old Candlemass, old SepticFlesh and Misanthrope.
