Opis produktu

Digipack CD

Comes in a 6-panel digipack w/ a 6-page booklet. First batch comes in black polycarbonate CD.

"***Stella Pandora***", the impassioned and anthemic 8th album from **ARKONA**, finds the formidable Polish Black Metal pioneers supremely focused, superbly intense and aflame with melodic vigour.

Since their 1993 formation **ARKONA** have progressively fine-tuned and elevated their sound, and this follow-up to 2019's acclaimed "***Age of Capricorn***" advances the band further still, as they imbue each phrase with a sense of existential yearning - a wistful awareness of the past dying inside the present.
