Producent	Nordvis Prod.

Opis produktu

With "Only True Believers" (2003), Sweden's Armagedda carved out a legacy in the black metal renaissance of the early 2000s. Building further on the "Under a Funeral Moon" (Darkthrone) worship of "The Final War Approaching" (2001), Armagedda cemented a foundation of their own. "Only True Believers" is a masterclass in the art of balance, merging the feverish, swinging rhythm of the relentless drumming – courtesy of Erik Danielsson of Watain – with evocative, dark melodies and rabid oration.

Tracklist:

1. Refuse The Blood of Jesus
2. Only True Believers
3. Emperor From The Eternal Dark
4. For I Am His Slave
5. Poetry From A Poisoned Mind
6. Demons
7. F.T.W
8. Endless Fields of Sorrow
9. Ghostwood
10. Domedagens Triumf (Bonus track)
11. Night of the Triumphator (Bonus track)
