Opis produktu

Jewelcase CD edition with booklet

Fire and water collide again: On the latest album „Wandering Through Time, Swiss sorceress ASHTAR opens up a menacing yet ethereal world of opposing forces, fans of emotional yet dirty Blackened Doom Metal should willingly enter.

ASHTAR - a duo at first - emerged on the scene in 2015 with their critically acclaimed debut album, "Ilmasaari", voted by Tom G. Warrior (Celtic Frost, Triptykon) as one of his favorite albums of the year in Deaf Forever magazine. The follow-up, "Kaikuja", released in 2020, took the project's unique blend of black and doom metal to the next level. Since then, ASHTAR has shared the stage with renowned bands such as Inter Arma, Primordial, Bell Witch, Bölzer, and Schammasch.
