Opis produktu

The debut album 'The Red In The Sky Is Ours' was released in 1992 on Peaceville/Deaf to widespread acclaim; the inclusion of violin sounds ensuring that the album scored points for originality, and was innovatively offset by the intensely brutal yet melodic sound, with standout track 'Kingdom Gone' becoming a universal favourite.

'The Red in the Sky is Ours' is a raw slab of extremity with intense aggression and some highly intricate melodic arrangements, considered a genre classic by many.

This edition of 'The Red in the Sky is Ours' is presented on black 180gm heavyweight vinyl.
