Opis produktu

A duo spread now between the UK and Egypt, **Atramentum** first made their public debut in 2017 with the album *Aischrolatry*. With *Through Fire, Everything is Renewed* is **Atramentum**‘s gnosis conceived through the Dragon: the revelation that all that may flourish must first be obliterated in flames. The album, whilst sophomoric in chronology, serves as the first truly formulated sonic vision of the band, via the addition of Jehannum (Pensées Nocturnes, Imha Tarikhat) shaping the percussive half of **Atramentum**. In synthesis with Frater XI’s instrumentation and vocals, the second installment of **Atramentum**‘s musical veneration is birthed, exhibiting a fathomlessly dark and dizzying artistry rife with damnation and regeneration.

This ode to the nightside presents eight rituals of **Atramentum**‘s vision of black/death metal, with scything and multihued production courtesy of the esteemed BST (Aosoth, VI, Aborted). A divination of cruelty, beauty, malice, venom, and chthonic coalescence – feel the cleansing burn of **Atramentum**‘s *Through Fire, Everything is Renewed*!
