Opis produktu

Duplicate Records proudly announce an exclusive collaboration with Norway's thrash metal stalwarts AUDIOPAIN, comprising their entire discography on vinyl for the first time. Set to be released as 5 separate LPs in 2021, all including rare and exclusive extra material culled from outtakes, split EPs, compilations and so on.

The third LP to be released is Revel In Desecration, originally released as a CD by the band in 2002. Including several rare bonus tracks, and a faithful rendition of the original layout, this will be the ultimate edition of Revel In Desecration!

Ltd. 200x black vinyl LP with insert.
