## Opis produktu

CD in jewel case with 16 page booklet.

Born from the ashes of DODECAHEDRON (and formerly EXIVIOUS), AUTARKH is a perpetual motion machine. Their 2021 debut, ‘Form In Motion’, already sounded like a message from the future, but sophomore album ‘Emergent’ truly embodies what it’s like to live in the digital age.
‘Emergent’ synthesizes modern metal intensity with sinister industrial drones and ethereal, chiming post-rock – all within one song.
Few bands have made something as innovative as this.

For fans of DODECAHEDRON, STRAPPING YOUNG LAD, GOJIRA, BLUT AUS NORD.
Artwork by Arno Frericks.
