Opis produktu

Transparent red 12" double vinyl (33 rpm) in gatefold with 30 x 89 cm artwork-in-full poster.
Limited to 400 copies worldwide

AUTARKH takes a unique position in the world of extreme metal: musically because of the radical approach the band takes with their rhythm section, and lyrically because the album is more about a personal experience of mankind and the nature of the universe.
‘Form In Motion’ takes us from unraveling storms and destructive chaos to transformation, liberation, and fundamental shifts in understanding in order to align with the divine. That progression is also present in a linear sense – the intrusive uneasiness the album starts with gives way to a sense of epic victory towards the end.

For fans of Dodecahedron, Strapping Young Lad, Gojira, Blut Aus Nord.

Artwork by Manuel Tinnemans (aka Comaworx).
