Opis produktu

After celebrating 20 years since the inception of AUTHOR & PUNISHER in 2024, founding composer, vocalist and mechanical engineer Tristan Shone embraces the project’s broadest scope to-date with Nocturnal Birding.

In addition to the strong and poignant messaging contained throughout the music, lyrics and artwork, Nocturnal Birding sees Tristan Shone synergizing with an array of artists from across the globe like never before in his career. From the artwork, meticulously designed by French artist Lucile Lejoly (Chat Pile, Roadburn Festival) to the mixing and mastering by Will Putney (Knocked Loose, Heriot, Body Count, Machine Head) to the musical guest appearances from France’s Fange, Indonesia’s Kuntari, and New York City’s Megan Oztrosits of Couch Slut, these outer creative inputs shine throughout the work.

Shone has welcomed collaborators in the past, but guitarist Doug Sabolick (Ecstatic Vision, Plaque Marks, A Life Once Lost, etc.) is the first genuine bandmate in AUTHOR & PUNISHER contributing creatively on guitar in ways that shape the persona of Nocturnal Birding, complementing Shone in melody and wrought tonal heft.

Removing himself from an artistic comfort zone proved fruitful inspiration. There is literal birdsong all over Nocturnal Birding, and transposing those melodies and rhythms to guitar became the root of the material, representing a rare coming together of the natural world and mechanized sounds.
