### Opis produktu

#### **LP - Indies Exclusive Limited Edition Purple Vinyl.**

Since first bursting onto the death metal scene back in 1989, the influential US quartet has carved an unwavering legacy over three decades. Morbidity Triumphant, the eighth album, is truly a dark delight for seasoned and new listeners alike, with a raw organic sound perfectly encapsulating what makes Autopsy so distinguishable among its peers, for what could easily be considered one of its strongest offerings to date. Recorded at Opus Studios, with long-associated engineer Adam Munoz. Mastering by Ken Lee. Artwork courtesy of Wes Benscoter (Slayer, Bloodbath).
