Opis produktu

After the highly acclaimed 2019 full length release "Colors Hidden Within the Gray", AUTUMN TEARS has wasted no time. We are thrilled to present our newest offering "The Air Below The Water", featuring 88+ minutes of brand new music, presented as a double CD set and digital download.

Among the 40+ talented musicians and vocalists featured will include classical / opera singer & composer Caroline Clarke (Trovatori), singer / songwriter Tamar Singer (Zeresh, Cruel Wonders, Necromishka), singer / composer / vocal coach Anne "Anaé" Laurent (Anaé & The Petrichor, Adrana), classical crossover vocalist Lady Debbie Delwynne (Lacrymosa Aeterna), tenor opera vocalist Darren Clarke (Trovatori), renowned virtuoso violinist Maria Grigoryeva, and lead vocalist Agnete Mangnes Kirkevaag from the legendary Norwegian progressive metal act Madder Mortem. Also returning are singer / songwriters Brona McVittie and Nathan Nasby. The album features a fully orchestrated, classical ensemble as well as world instruments including kamancheh, bansuri and duduk to add another layer of diversity to our ever evolving sound. Ocean field recordings by Michael Zolotov (Kadaver, Necromishka) for that touch of classic 90’s Autumn Tears nostalgia.

The 2CD set will be limited to 500 copies Worldwide and features a 20 page lyric booklet lavishly illustrated with paintings by award winning artist Miranda Meeks - http://mirandameeks.com/
