AZAZEL – Ave Dominus Luciferi
CD release: 6.6. at 6PM (vinyl edition to follow)
Release show: Finnish Death Metal Maniacs Festival – 6.6. at 6PM

The sulphurous gates creak open once again.

Finland’s unholy cult AZAZEL returns with their fourth full-length studio album Ave Dominus Luciferi – a scorched-earth sermon of pure, irredeemable Black Metal madness. Set for release at the infernal hour of 6PM on the 6th of June, this black mass marks a new peak in AZAZEL’s blasphemous crusade.

Unapologetically raw, rabid and perverted, Ave Dominus Luciferi is the grand Black Metal Opus of Azazel – a deranged and triumphant vomit upon the altar of false light. This is not a reinvention, but a reaffirmation: AZAZEL stands as the diseased heart of Finnish Black Metal, pulsing stronger than ever.

To celebrate this milestone in unholy excess, AZAZEL will perform a special album release ritual at the Finnish Death Metal Maniacs Festival on the same cursed day – 6.6. at 6PM. Expect chaos. Expect possession. Expect AZAZEL.
