Opis produktu

Dusktone is proud to team up with German cult black metal band Baxaxaxa in order to reissue, on cd and tape, a compilation of their early recordings, titled "Spells From The Crypt". It will contain the legendary "Hellfire" demo from 1992, "The Old Evil" demo and the "Devoted to HIM" 7". "Spells From The Crypt" will hit the shelves in late Spring! Expect nothing but pure old-school black metal!
