The BEHEMOTH album "Grom" from 1996, on which band around Nergal was still fully on the black metal track, enjoys 2023 a reissue with lots of bonus material. Released via Metal Blade.

In addition to Nergal, Baal Ravenlock (drums) and Les (bass) were part of the BEHEMOTH line-up at that time. As a guest singer, "Grom" should be the only BEHEMOTH album on which a female voice is heard, was Celina, the ex-girlfriend of Nergal.
