Opis produktu

25TH ANNIVERSARY LIMITED HEAVYWEIGHT SPLATTER VINYL EDITION OF BEHEMOTH’S FIFTH ALBUM OF SUPREME BLASPHEMY & BRUTALITY.

Behemoth was born in Poland in 1991, formed by band mastermind, Nergal. The evolution of Behemoth grew out of early demos and studio recordings with strong black metal roots and atmospherics, into brutal extreme metal. They stamped their own identity on the metal world with the compositions becoming more fierce than cold, and with a great maturity in songwriting and execution becoming clearly evident with each passing early release.

Originally released in 2000, ‘Thelema.6’ stood as an important milestone in the evolution of Behemoth and introduced more elements from the death metal genre, all the time advancing and developing further from their more traditional black metal roots, both as composers and musicians.‘Thelema 6’ was the band's fifth studio album and a fair step away from their raw and primitive beginnings. The album was recorded and self-produced at Hendrix Studio, Poland. Behemoth has since risen to the forefront of the extreme metal scene, well known for their great technicality and refined musicianship, translating effortlessly to the live environment.

This special 25th Anniversary edition of ‘Thelema.6’ is presented on limited 180gm splatter effect vinyl.
