Opis produktu

Re-issue of 'Killing Music' the seventh studio album by British death metal band Benediction, originally released in 2008!

Catchy and unique guitars with the double bass drum kicking ass alongside the tremolo picked axe-work. These guys have been awesome throughout the years!

From start to finish this album just slays in the riff department!

For fans of: Asphyx, Bolt Thrower, Master, Massacre, or "Harmony Corruption"-era Napalm Death
