JEWEL CASE

Depressive Black Metal

Re-recorded version of Bethlehem’s cult album “Sardonischer Untergang im Zeichen irreligiöser Darbietung (S.U.i.Z.i.D.)”, originally released in 1998 and regarded as one of the cornerstones of Suicidal/Depressive Black Metal. “The Gospel According to Alexander” revisits this essential work with newly recorded vocals by Niklas Kvarforth (Shining), bringing an even deeper sense of despair, torment and emotional extremity to Bethlehem’s oppressive sound. The album preserves the bleak and suffocating core of the original material while presenting it with renewed intensity and clarity. Mastered by Andy La Rocque and featuring refined artwork by Tuomas Tahvanainen, this version stands as both a tribute and a reinterpretation of a genre-defining release. A mandatory listen for devotees of depressive, suicidal and emotionally devastating Black Metal, and an essential chapter in Bethlehem’s legacy.
