Beyond the Veil – Void Revelations – ARTBOOK

A Rare Glimpse Behind the Scenes by Void Revelations

Finally, after six years of intensive curation and a decade on the road, the visual testament to the international extreme metal and rock subculture is unleashed. Known for a distinct visual language, Void Revelations presents a massive 320-page artbook where atmosphere stands above everything else.

Beyond the Veil is not just a book—it is an exploration of those hidden moments between claustrophobically small backstage rooms and massive festival stages; the moments suspended between ecstasy and exhaustion; a testament of corpse paint, sweat, blood, and the scent of incense.

The book features exclusive photo sessions, portraits, and historical chapters with: Attila Csihar, EMPEROR, MARE, MkM (ANTAEUS), Snorre Ruch (THORNS), DIMMU BORGIR, DOOL, THE MOUTH OF SATAN (THE DEVIL'S BLOOD), VEMOD, and DARK SONORITY, as well as the final portraits of ONE TAIL, ONE HEAD, SVARTIDAUÐI or SECRETS OF THE MOON, and rare behind-the-scenes insights from the final DJEVEL concerts.

Pre-orders only will also incl. a special bookmark with hotfoil!

The book will be published, next to a Void Revelations exhibition, at BEYOND THE GATES festival on July 31, 2026.
