Opis produktu

Red and black marbled 12" eco-double vinyl (33 rpm) in gatefold with double sided insert.
Limited to 250 copies worldwide!

Nearly six years after ‘As Was’ made its mark, Black Anvil is returning with its aptly titled fifth full-length, ‘Regenesis’.
With a new record label, a new album, and a newfound exploration of dark and black metal, ‘Regenesis’ represents a new dawn for the New York City collective.
Make no mistake, ‘Regenesis’ is not a departure from Black Anvil’s identity, but rather serves as the latest progression in the band’s ever-evolving sound. The unrelenting and polished aggression hangs in the balance above dark melodic passages, presenting a dynamic soundscape that serves as the band’s most devastating and existential offering to date.
This isn’t just black metal, this is NYBM.

For fans of WATAIN, ABSU, AURA NOIR, NECROFIER.
