## Opis produktu

Sepulchral Voice, 12“ LP, black 140g / 16 page A5 booklet

‘Burning in Celestial Poison‘ is not only a statement and lesson in audio-violence, it is a 44 minutes long manifest of radical DEATH Metal causing mental lacerations and chaos! A record supposed to shock, because of its ecstatic ruthlessness and massive fanatical malevolence, hovering deep below the compositions. It opens the doors to a world that is so unbelievable vast, that you risk to lose yourself in it, its depths defy exegesis. 4 curses are woven into 4 hymns of utter death-magic, which will lead you into the black abyss of the grand divine. The album was again produced by master Arthur Rizk, who cuts through all expectations with extraordinarily dense and destructive fidelity and production. ‘Burning in Celestial Poison’ sounds like created with the magick, formulas, codes and keys of a world beyond.
