BLACK METAL: INTO THE ABYSS book \*Signed by author\*

Written by Dayal Patterson. The third book in the Black Metal Cult series, following Black Metal: Evolution of the Cult and Black Metal: The Cult Never Dies Vol. One, focussing on Norwegian black metal, Polish black metal and the depressive black metal subgenre. Originally released in 2016 and translated into multiple languages since.

Designed to be read as either a separate work or as part of the series and presented with a somewhat more old school aesthetic.

300 pages and 21 chapters of brand new and exclusive material, with long, detailed and dare we say definitive interviews with FURIA, MASSEMORD, 1349, FORGOTTEN WOODS, TSJUDER, NOCTURNAL DEPRESSION, VEMOD, ONE TAIL, ONE HEAD, MYSTIFIER, BLACK ALTAR, BESATT, MORD 'A' STIGMATA, TRIST, HELHEIM, HYPOTHERMIA, LOITS, DEINONYCHUS, PSYCHONAUT 4, KOLDBRANN, URGEHAL, SACRILEGIUM AND BLAZE OF PERDITION
