Colombian legends BLASFEMIA! The “Muerte Psicológica en Marcha” (2015) finally available on vinyl (with bonus material from the “Mundo que apesta a rata muerta” album, 2018). The band is fronted by Ramón Restrepo, known from his work and the Colombian 80s extreme Metal pioneers PARABELLUM (and BLASFEMIA) and from the Ultra Metal movement! He is still today active in the Colombian scene, creating raw uncompromising black/thrash of the most ancient evil way! A true favourite at the I HATE HQ! For fans of early South American sound of mid/late-80s, this can only be described as the wettest of dreams – or the blackest of vomits! Ltd. 300 copies (100 black, 200 Blood Red) LP.
