Opis produktu

Featuring ex-members of Endless Blockade/Column Of Heaven/Abyss/Slaughter Strike etc. BLEEDING OUT have been making quite a name and impact within the Canadian extreme music scene in their short existence since releasing their 2018 demo, their split with Skullshitter last year, and by opening for like-minded bands they’ve associated with such as Full Of Hell, Tomb Mold, Mortiferum, and Primitive Man to name a few notable friends of theirs.

"Lifelong Death Fantasy" is a brutal, unrelenting, and utterly pulverizing authority bashing offering that captures the spirit of true old-school crossover deathgrind. A furious inexorable sonic pummeling "Lifelong Death Fantasy" becomes the soundtrack to a civilization on the brink of rot and decay during an epoch of desperation, virulence, and uncertainty.
