### Opis produktu

Dreamlike and longing but still vicious and punishing - Nordic black metal saturated in that characteristically wild and unbound organic spirit associated with many of the Nordvis bands. Perhaps somewhere in-between Murg and Panphage, but with an atmosphere rooted in folkloric mysticism. Blodtår's primary strength is the masterful use of contrast in mood and music, showcasing both acoustic interludes and a youthful fire that brings early Dissection to mind.

Cover artwork by Carl Stjärnlöv.
