Opis produktu

BLOOD STORM 'The Atlantean Wardragon' CD is out now.
The classic 1997 debut album is presented for the first time in its entirety (the original pressing was missing the song 'Clavicula Solomonis (of the Lightless Fire)'), with amended tracklisting to reflect the band's original concept and complete lyrics.
Over 46 minutes of primal Speed Death Black Metal chaos and necromancy.
Fully remastered by Jim Roe (Incantation / Disciples Of Mockery / The Primitive) with a new cover art courtesy of Alex Shadrin.
