With Peter Tägtgren (Hypocrisy) taking over vocal duties from Mikael Åkerfeldt (Opeth) on this album, the 2004 released second full-length attack by "allstar" deathers BLOODBATH was again a very well-received opus featuring such killer tracks as "Outnumbering the Day", "Soul Evisceration" or "Eaten" guaranteeing pure old school death metal pleasure. Topped off with a devastating production, excellent cover artwork by Wes Benscoter (Slayer, Nile, Broken Hope, Autopsy), merciless riffs and those unbeatable typical Scandinavian melodies in spades, „Nightmares Made Flesh“ is equally essential as its predecessors and ought to be purchased at instant if perfect death metal is what you're looking for!
