Opis produktu

BLOOD HARVEST RECORDS in conspiracy with CALIGARI RECORDS, is proud to present a special compilation from BLOODSOAKED NECROVOID, The Apocryphal Paths Of The Ancient 8th Vitriolic Transcendence, on CD format.

Hailing from Costa Rica, BLOODSOAKED NECROVOID are aptly fucking named, as they create sepulchral, funereal Metal of Death completely devoid of modernity or other softening elements. Theirs is a lumbering husk of dread, tension, and total terror. There is no joy nor light here – only eternal, monumental suffering.

To date, BLOODSOAKED NECROVOID have conjured forth two equally massive demos, both released during 2018, and had them compiled onto vinyl format as Apocryphal Paths Of The Ancient 8th Vitriolic Transcendence. Now, BLOOD HARVEST and CALIGARI step forward to unleash this eight-song, 41-minute smokestack of charred DEATH unto the unsuspecting masses on CD format. Prepare to have your day ruined, again and again and again...
