Opis produktu

DOSTAWA Z CHIN CZYLI CIĘŻKO OSZACOWAĆ KIEDY DOTRZE - STRZELAM ŻE STYCZEŃ !!!

Hailing from Singapore, old-school thrash metal defender BLOODSTONE formed in 2004 with a passion for early 80's extreme metal.

Written during COVID-19, the sophomore album is titled "Electrocution" and is more aggressive, straightforward, and ravaging than the band's previous releases. The lyrics revolve around politics, capital punishment, and war, expressing their disgruntlement, disillusionment, and frustration with modernity and the system.
