"**Nahab**" - the second part of the **Disharmonium** cycle - finds **BLUT AUS NORD** returning, as if by compulsion, to the Weird nightmarish otherworlds of *H.P. Lovecraft* to reflect them through a new mirror of terrifying Black Metal lunacy.

In the dead-eyed trance of one demonically summoned, the band has once again channelled esoteric folklore and modern violence into another phenomenal slice of outsider art which befits its own Mythos and monstrosity. A Crowning Horror indeed.
