The wonderful 16th album from legendary Avant Black Metal paragons **BLUT AUS NORD** is the culmination of a 30-year vision - as mainman *Vindsval* connects each element of the band's history to launch yet another intrepid exploratory evolution.

"**Ethereal Horizons**" is **BLUT AUS NORD** fully realised: richer, deeper, grander, more enigmatic and simultaneously more human than ever. Intermeshing the earthen and the futuristic as a vessel for the dark dreamer, soaring and ascending to vivid realms.
