Opis produktu

Slipcase Digipack CD

Comes in a 4-panel digipack with a 16-page booklet and a slipcase. First batch comes in black polycarbonate CD.

DMP present a special 2025 CD reissue of **BLUT AUS NORD**'s seminal 2003 avant-Black Metal masterpiece "***The Work Which Transforms God***", complete with restored original artwork, a new *Rob Borbás* illustration, artist testimonials, and an extended interview with *Vindsval*.

This trailblazing and indispensable classic finds **BLUT AUS NORD** expanding the possibilities of Black Metal: preserving the essence and feeling but urbanising the form, in a menacingly enigmatic and coldly inimitable statement of intent.

"*Warped is the only word for it... a sea-sick intensity that firmly positions this as outsider art... Visionary stuff.*" (*Jamie Saint Merat* - **ULCERATE**)
