### Opis produktu

1270 x Bone White and Swamp Green Galaxy Effect Merge Standard Gram

With a king-sized sound as gargantuan as the towering monster from which their moniker is derived, Bongzilla light up the modern-day rock world with Amerijuanican. Blending industrial-sized, vertigo-inducing riffs with a sludgy, fuzzy crunch and hedonistic, yet harassed message, the single-minded quartet burn with a bad ass bent reserved for rock and roll titans. A celebration of a decade of dealing medicinal music, Bongzilla's Amerijuanican will leave you in a smoky trance.
